How it works

STEP 01

Ask in plain English

Type any business question the way you'd ask a colleague. No SQL, no data requests.

STEP 02

Governed analysis

Claritect writes read-only SQL and builds evidence you can trust and audit.

STEP 03

Insight with actions

Get findings, interpretation, and recommended next steps — not just numbers.

STEP 04

Run it again anytime

Use once for a quick answer. Schedule for updates. Build into a business case.
